PAINTED DOOR RANGE

Satin paint panel

The Desire painted door range has been developed to bring you unlimited options when designing your kitchen. You can choose from 5 unique door designs, unlimited colour options from the Dulux colour palette and two finishes.

We make sure our doors are easily installed while maintaining an aesthetic of perfection. We also guarantee all doors with a 10 year warranty and are confident in the quality of our products but we advise you clean your doors with care.

When cleaning your doors we suggest you use a good microfibre cloth to avoid scratching or damaging the surface. If the marks or stains are especially stubborn you can use a mild detergent and warm water on the microfibre cloth too.
