

Eight wooden posts and
four boxes of TOJA GRID.

**THAT'S ALL YOU NEED TO BUILD
A PERGOLA. SO SIMPLE!**

MODULAR

Toja Grid is a modular pergola system that can connect in many ways to accommodate your needs and space with endless possibilities.

FAST AND EASY

Fast and easy assembly with no special tools required.

STRONG AND DURABLE

Made with high-quality steel covered in weather-resistant coatings. We use the best materials and manufacturing practices to ensure our products last.

SUN PROTECTION

Our heavy duty shades provide 90% UVA/UVB protection.

- Toja Grid fits with standard 90 x 90mm timber with rounded edges.
- Canadian made steel, laser cut, bent and welded.
- Each bracket is made from 14-gauge steel and zinc coated with outdoor powder coating.
- All hardware to secure to timber is included.
- Dry and straight timber is recommended for assembly.

FULLY CUSTOMISABLE

Build structures to suit any space!

Wide range of shade sizes available in grey.
