1. Warranty Period

In addition to any statutory warranties or conditions that apply under the Australian Consumer Law or the New Zealand Fair Trading Act 1986, Stratco warrants in favour of the original purchaser ("the Purchaser") of a Stratco Frontier[®] Carport ("the Product") which is purchased directly from Stratco the following:

1.1 Structural Sufficiency

The structural sufficiency of materials for a period of five (5) years from the date of purchase. For the purposes of this warranty, "structural sufficiency" is, and only is, the ability of the materials of the Product to withstand the design loads required of the structure, as outlined in the technical specifications provided in the Stratco Frontier Span Tables published at the time of ordering the product, and any additional information provided by Stratco for the purpose of developing the design. Structural sufficiency shall be assessed by Stratco whose determination shall be conclusive. In such assessment, any perforation, surface corrosion or visual defects will not be considered unless they are of such nature to be of direct relevance to structural sufficiency.

1.2 Paint Finish

The paint finish for a period of five (5) years from the date of purchase. Stratco warrants the paint finish of the Product against flaking, peeling or delaminating, or fading which is in excess of the amount assessed as normal fading by the manufacturer of the Product. Paint finish warranty is only applicable when Prodek roofing, gutter and barges are pre-painted colour. Not applicable with Zinc/Al roofing.

2. Warranty

Subject to the terms and conditions of this warranty, if Stratco determines that there is a valid claim under this warranty, the obligations of Stratco will be limited to, at its option and cost, the refinishing, repair, replacement and/or installation of any defective material or component as set out below.

2.1 Liability for Structural Sufficiency

- 2.1.1 If Stratco determines that the claim is valid within two (2) years of the date of purchase, the cost of replacement will be met by Stratco in full.
- 2.1.2 If Stratco determines that the claim is valid between two (2) years and five (5) years of the date of purchase, the Purchaser will contribute 1/3rd of the Stratco Recommended Retail Price of these materials and components for each year (or part thereof) between the date of such determination and the second (2nd) anniversary of the date of purchase and the Purchaser will be responsible for any labour cost associated with removal or replacement of any material or component.

2.2 Liability for Paint Finish

- 2.2.1 If Stratco determines that the claim is valid within two (2) years from the date of purchase, the cost of refinishing or replacing will be met by Stratco in full.
- 2.2.2 If Stratco determines that the claim is valid between two (2) years and five (5) years from the date of purchase the Purchaser will contribute 1/3rd of the Stratco Recommended Retail Price of any replaced materials for each year (or part thereof) between the date of such determination and the second (2nd) anniversary of the date of purchase and the Purchaser will be responsible for any labour cost associated with removal or replacement of any materials.

This warranty is limited by the right of Stratco to take into account as Stratco sees fit in its absolute discretion environmental and/or locational factors and to reject a claim under this warranty which in any way arises as a result of any such factor. In particular, and without limiting the foregoing, Stratco will reject any claim under this warranty where any defect or failure of the Product is caused by its installation in a location subject to aggressive environmental conditions such as coolrooms, areas prone to airborne salt deposit or corrosive conditions adjacent to swimming pools or spas, or where the product has received insufficient maintenance, or if the Product is installed within 1 kilometre from a salt water body or in industrial or non-residential areas.
